Dear **Dr. De Jesus**:

The **Department of Science and Technology (DOST)** thru the **Technology Application and Promotion Institute (TAPI)** will celebrate the **2017 National Science and Technology Week (NSTW)** on 11-15 July 2017 at the World Trade Center, Pasay City. The events and exhibits are the perfect venues for technology developers and investors, as well as S&T service providers and clients, to interact and pursue potential opportunities.

Bannered by the overall theme **“Science for the People”**, this year’s NSTW celebration aims to bring science and technology closer to the people by featuring its latest innovation technologies including the available programs and services that the DOST has to offer to public. Apart from the exhibits, other activities lined-up are technology fora, technology demonstrations, interactive activities, and other special events.

The week-long event hopes to attract more than 80,000 visitors, allowing them to learn and experience the wonders of science and technology through the exhibits from DOST Agencies and Regional Offices, other government agencies, academic institutions, private sector/s, MSMEs, and inventors/ innovators showcasing their latest and most innovative products and technologies.

In this regard, we are pleased to invite you and your students on July 11, 2017, 1:00 to 5:00pm and July 12-15, 2017, 8:00am to 6:00pm to view the exhibition. **Admission is free.**

For more information, please visit our website www.tapi.dost.gov.ph or contact:

Ms. Theda Mae S. Dumali/ Ms. Rhoalyn R. Dela Rosa/ Mr. Neil Patrick Endozo
