

CAPSTONE (Non-thesis Track)

- o Serving as the culminating and integrative experience of SoPH's educational program, the capstone project is an undertaking that aims to uphold public health education for the real world

The Master of Public Health 2-year Degree Program has a total of 51 units.

Certificate of Public Health is awarded after completion of Year 1 of foundational core courses with a total of 33 units, *provided overall average is 2.0 or better with no grade of 5.0.*

Take advantage of this virtual learning opportunity! This is the best time to start your Public Health career!

ALL CLASSES are online but there is 1 face-to-face activity per trimester.

Phylis C. Rio, MD, MHA

Dean, School of Public Health
